

Usage: Venoflash® Leg Cream has been naturally formulated to help relax legs that are tired and heavy, and helps soothe legs that are sensitive to heat and standing upright.

Directions: Use Venoflash® Leg Cream every day by lightly massaging over feet and legs in an upward motion (starting from feet up the legs) and let it absorb into the skin completely. Use Venoflash® Leg Cream twice daily.

Precautions: If pregnant, ask your doctor before use. **Keep out of reach of children.** For topical, external use only. Do not use over irritated or cut skin. Topically, in rare cases, Horse Chestnut has been associated with allergic reactions.

Uso: Venoflash® es una crema natural para ayudar a relajar sus piernas cansadas y sensibles al calor o por estar de pie.

Instrucciones de Uso: Emplee Venoflash Crema diariamente dándose un masaje suavemente en las piernas y pies con movimiento ascendente hasta que se absorba completamente la crema en sus piernas. Para un resultado óptimo, aplíquese Venoflash Crema dos veces al día.

Precauciones: Si esta embarazada, pregunte a su médico antes de emplearla. Manténgala fuera del alcance de los niños. Para uso externo solamente. No la aplique sobre piel irritada o cortada. El empleo tópico del extracto de Castaña de India ha estado asociado a casos excepcionales de reacciones alérgicas en la piel.

VENOFLASH® Leg Cream

Helps relax
tired legs.
Ayuda a relajar
piernas cansadas.
